Geor-gie Por-gie was a guy, Who would kiss the girls and make them cry;
Geor-gie Por-gie called each night And he tried his best to get in right;

It would de - light him Just to ex - cite them.
But shed say "No sir" If he got clos - er;

But Pris - cil - la was a miss, Nev - er knew the mean - ing of a kiss;
All the neigh - bors on the block Used to watch for him at eight o' clock;
